

CURRICULUM VITAE

Sherif Hassan Emerah, FRCS, MD

Date of birth: 14/10/1967.

Nationality: Egyptian.

Religion: Muslim.

Social state: Married.

Tel. number: 00201222459388

E-Mail: sherifemera@yahoo.com

License to practice in Egypt. 110722 (Since 1993).

Present Assignment:

- Associate Professor of ophthalmology, Cornea Unit , Research Institute of Ophthalmology, Egypt.

Qualification:

- M.B, B. CH, Ain Shams University, Egypt, Dec. 1991.
- M.Sc. Ain Shams University, Egypt, May 1996.
- Fellow of Royal College of Surgeons of Glasgow (FRCS Ophth. Glasgow July 2006).
- MD ophthalmology, Ain Shams University, July 2006.
- Cornea, cataract and external eye disease fellow at LSU eye center, USA. from July 1, 2000 to October 31, 2001.

Professional career

- From 1 /3/ 1992 to 28 /2/ 1993: Intern at Ain Shams University, Egypt.
- From 1 / 3/ 1993 to 1/10/ 1996: ophthalmology Resident at Research Institute of Ophthalmology, Egypt.
- In 1996: Appointed as Assistant lecturer of ophthalmology, Research Institute of Ophthalmology, Egypt.
- From July 1, 2000 to October 31, 2001: Research and clinical scholar in cornea, cataract and external eye diseases department, Louisiana State University (LSU Eye center), USA.
- In 2006: Appointed as Lecturer of ophthalmology, Research Institute of Ophthalmology, Egypt.
- In 2012: Appointed as Associate Professor of ophthalmology, Research Institute of Ophthalmology, Egypt.

- From Sep. 2012 till April 2020: Head of Cornea and refractive unit, Magrabi eye hospital, Dubai.
- May 2020 till now Associate professor of ophthalmology, Cornea Unit, Research Institute of Ophthalmology, Egypt.

Outstanding Experience:

- Corneal Refractive surgery (Femto Lasik, Lasik , PRK , PTK).
- Penetrating and lamellar Corneal transplantation (PKP, DALK and DSAEK).
- Phakic IOLs (ICL and TICL).
- Phacoemulsification.
- Refractive lens exchange.
- Femtolaser assisted Intracorneal ring segment implantation (ICRS).
- Femtolaser astigmatic keratotomy.
- Corneal cross linking (CXL).
- Corneal tattooing.

Scientific activity:

1. Speaker, Magrabi Grand Round 2013 CORNEAL CONFOCAL MICROSCOPY, February, 2013 Dubai, UAE.
2. Speaker, Magrabi Grand Round 2013 DIFFERENT MODALITIES IN MANAGEMENT OF KERATOCOUNUS, July 03, 2013, Dubai, UAE.
3. Speaker, Magrabi Grand Round 2013, LASIK COPMLICATIONS, October 30, 2013 Dubai, UAE.
4. Speaker, Magrabi Grand Round 2013, MANAGEMENT OF POST KERATOPLASTY ASTIGMATISM, December 18, 2013 Dubai, UAE.

5. Speaker, Magrabi Grand Round 2014, INTRACORNEAL RINGS, September 30, 2014 Dubai, UAE.
6. Speaker and session moderator at Magrabi International Conference Abu Dhabi -January 2015.
7. Speaker, Magrabi Grand Round 2015, Corneal Mapping, March 4, 2015 Dubai, UAE.
8. Speaker, Magrabi Grand Round 2015, Astigmatic keratotomy, October 28, 2015, Dubai, UAE.
9. Speaker, Emirates ophthalmic society congress (ESO), December, 2015.
10. Speaker, Magrabi Grand Round 2016, Phakic IOL, April, 2016, Dubai, UAE.
11. Speaker, Abu Dhabi Ophthalmology Review (ADORE), December, 2016.
12. Speaker, Magrabi Grand Round 2016, Why DALK? Dec. 2016, Dubai, UAE.
13. Member of organizing committee, Speaker and session moderator at Magrabi International Conference-Abu Dhabi, January 2017.
14. Speaker, Magrabi Grand Round 2017, Surface ablation, May, 2017 Dubai, UAE.
15. Speaker, Magrabi AL Ain ophthalmology scientific day 2017, KC cases, what should I do? May, 2017 AL Ain, UAE.
16. Speaker, Emirates ophthalmic society congress, December, 2017.
17. Speaker, Mgrabi Dubai Scietific day, DSAEK, April 2018.
18. Speaker, Magrabi ALAin ophthalmology scientific day, Monovision laser refractive surgery. May, 2018.
19. Speaker, Magrabi Grand Round, PRK and KC, TG vesus wave front guided. Sep. 2018, Dubai, UAE.
20. Speaker, Magrabi Grand Round, Dry eye and LRS. Jan. 2019, Dubai, UAE.
21. Speaker at AL Qassimi Ophthalmology International Conference (QOIC) Meeting held on 7 -9 March. 2019 Dubai, UAE.
22. Speaker at ISRS symposium during the Syrian Ophthalmological Society Summer Meeting held on September 26 -28, 2019 in Tartus, Syria.
23. Speaker, Magrabi Grand Round, trouble with big bubble. Nov. 2019, Dubai, UAE.

- 24.** Speaker at ISRS symposium during the AL Qassimi Ophthalmology International Conference (QOIC) Meeting held on 13 -15/2/2020 in Dubai, UAE.
