The **Eyes** are the **window to your soul.**

— William Shakespeare —

“Eyes are marvelous organs of expression but, really, how much does it add to a character when their eyes carry the entire weight of characterization?”

Corabel Shofner

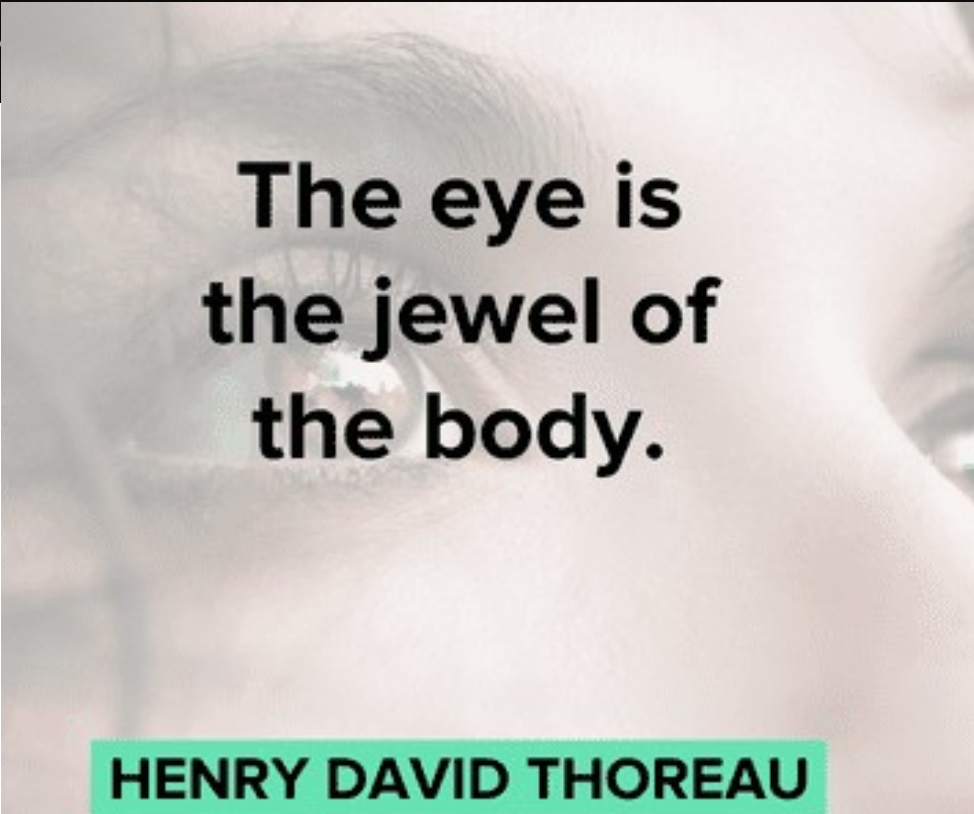

Almost nothing need be said when you have eyes.

-Tarjei Vesaas

The eyes have one language everywhere.

~ George Herbert

A close-up, slightly blurred image of a person's face, focusing on the eyes and nose.

**The eye is
the jewel of
the body.**

What to expect out of
blepharoplasty?!

Expectation

Reality

Upper blepharoplasty

“It’s not just skin and fat removal”

- It’s more of maintaining everything natural
- It’s noticing the little details that could make a difference
- It’s avoiding overcorrection “operated look”
- It’s properly assessing each eyelid individually

**Provides; fresher, rejuvenated, happier
and a younger look**

With a smoother forehead

Lower blepharoplast y

“It’s about preserving the fat”

- Don’t fall in the “Fine lines/wrinkles” trap!
- Preserve more-remove less fats
- Aim for a smooth lid-cheek junction
- Transconjunctival blepharoplasty doesn’t worsen the fine lines

**Provides; fresher, rejuvenated, happier
and younger look**

**With a better contour to the eyelid (more
upturned)**
