Welcome Message

“ Dear Colleagues,

It is with immense pleasure to announce that the 10th Research Institute of Ophthalmology (RIO) International Meeting, will be held at Intercontinental Semiramis Hotel, Cairo, Egypt on January 20th -22nd, 2016.”

The RIO meeting had always been an outstanding annual event. The theme of the 2016 meeting will be **“Ophthalmology in Focus”**.

This theme reflects not just how we ophthalmologists perceive our field, but also reflects the conference’s focus on all the aspects of that specialty.

As always, the meeting will be held in Egypt, one of the largest centres for Ophthalmology in the Middle-East, Africa and Asia; and specifically in Cairo, the beautiful Capital of charms and mystique, with its unique mix of Egyptian, Arabian, Islamic, Coptic and all-around international culture, flavors and sounds.

Having lived in Cairo for almost my whole life, I can always assure you it is a magnificent, vibrant, interesting, fun and magical city. On behalf of RIO board and scientific committee.

I wish you a stimulating & memorable congress.

Yours sincerely,

Rio President
Prof. El Sayed El Toukhi

Welcome Message

“ Dear Colleagues,

On behalf of the Executive Board of the Research Institute of Ophthalmology (RIO) it gives us a great pleasure to invite and welcome you at the 10th INTERNATIONAL RIO MEETING Under the theme of **“Ophthalmology In Focus”**

The program committee has compiled an exciting scientific program, which will feature world leaders presenting the latest developments in the fields of cataract, cornea and refractive surgery, glaucoma, oculoplasty and pediatric ophthalmology and vitreoretina.

Such qualified doctors and medical staff will deliver valuable and critical knowledge and art in this congress.

A scientific exhibition of pharmaceuticals, medical equipment and other products is also planned to allow discussion and exchange of information between relevant delegates and leading industrial companies.

On behalf of the RIO Executive Board you are promised to have an inspiring, stimulating and memorable congress.

Your active participation will be greatly appreciated.

Yours sincerely,

General Secretary
Prof. Ahmed Atef
